About Company

Phoenician Trading is a full BEE company established in South Africa. Its primary objective is to drive ecommerce opportunities for local companies in South Africa, with a particular focus on Amazon.

We will aggregate your business in the e-commerce domain, thereby creating a win-win for all stakeholders. Our value proposition is edged on zero costs and zero risks to our clients.

“Your e-commerce aggregator”

About the Logo

Vision

To be the preferred partner to aggregate local and international businesses on e-commerce platforms in South Africa.

PHOENICIAN TRADING

EST. 2024

Mission

To provide business solutions to local and international companies by aggregating your products on e-commerce platforms.

To list products on e-commerce platforms at no cost and zero risk to our suppliers.

To do upfront payments on all purchase orders, thereby reducing any financial strains on small and medium businesses.

Creating a logistical solution by having a single drop off point for national distribution.
